

Title IV Disbursement Policy

Pell grant funds are available 10 days prior to the beginning of each semester for tuition and the purchase of books and supplies. Books can be purchased in the Follett Bookstore on campus or ordered through the local Barnes and Noble store at Alamance Crossings. Students should request a voucher for ordering books through Barnes and Noble. In many cases there is a remaining balance after all charges have been paid. The remaining balance check will be disbursed approximately six weeks into each semester, after enrollment can be verified and balances calculated. Checks will be mailed to students at the address they have listed on their student account.

Effective August 2010
